## MESSAGE . . .

*It is indeed a pleasure for me to extend a warm welcome to the Icelandic Singers visiting Winnipeg.*

*Music, it has been truly said, is international in its appeal. Language is no barrier; we communicate with one another through this medium with ease.*

*I know you will be made welcome by all our citizens but particularly by your countrymen resident here who have contributed so much to the culture of Winnipeg and who have kept alive the fine traditions of the Icelandic people.*

STEPHEN JUBA,

Mayor.
